

TEXAS DIABETES INSTITUTE NEWSLETTER

March 23,2002

Dear PAGA Member,

Attached is a list of all the chapters of the Pan American indicating pledges they submitted during the last three years. As of to date we have donated a total of \$22,913.89 to the Texas Diabetes Institute. Our goal was to be at about \$70,000.00 after our third year. We are far from that goal, but we can make this final year of commitment a banner year by every chapter supporting the institute.

There's no reason why we can not have 100% participation this final year, we have always being an origination that has supported the needy or help the sick. During the San Antonio National in 2004, we have scheduled to have our delegates meeting at the Texas Diabetes Institute. We will bus you to the institute, they want the PAGA to be present in order to give us a grand tour of the institute.

You will be proud of what your chapter has helped to establish for humanity. You will see a plaque at the entrance of the fitness center, named in our honor. What a first, we care, not only for fellow golfers but also for all people in need. That's why our PAGA pioneers started this origination for, if they only had one word to say, it would be 'Fore'.

Therefore, it is important that we all stick together in order to be fair and fulfill our commitment. To the chapters who have come through, I congratulate them. Do not let this chance of opportunity to help millions pass us by. All the institute staff is very grateful, and hopes to meet with us in 2004.

Sincerely,
